License to Collect or Possess Education / Exhibition Application

License #

1795

For more information on this license visit www.dec.ny.gov/permits/25005.html

STATUTORY AUTHORITY: Environmental Conservation Law Section 11-0515 (1) and 6 NYCRR Part 175.

The Department of Environmental Conservation (DEC) may issue a License to Collect or Possess to qualified individuals to collect or possess fish, wildlife, shellfish, crustacea, protected insects, birds' nests or eggs. This application is only for the following purposes: Education/Exhibition.

Individuals applying for a license to collect or possess migratory birds must possess a valid Federal Permit from the U.S. Fish and Wildlife Service, for the requested activity. Individuals applying for a license to exhibit mammals to the public must possess a U.S.D.A. license under the Animal Welfare Act. Applications for licenses for educational institutions should be completed by the individual authorized by the institution to supervise all activities listed on the application.

The license is valid for one year or as noted on the license. The Department in its discretion may require an applicant to submit written testimonials from two well-known persons and to file a bond of two hundred dollars.

INSTRUCTIONS FOR LICENSE AMENDMENTS

When applying for a license amendment please only include information on the application pertaining to the specific amendment or amendments you are requesting. Please do not include previously submitted information already authorized under your license. If you are applying for renewal with amendment, please include your annual report required per your license conditions.

The following addresses are provided for your convenience.

US Dept of the Interior / US Fish & Wildlife Svcs
PO Box 779 • Hadley, MA 01035-0779

USDA/APHIS/AC
920 Main Campus Dr, Suite 200 • Raleigh, NC 27606-5210

*REASON FOR THIS APPLICATION

☒ new license ☐ license amendment ☐ renewal of current license WITHOUT amendment ☐ renewal of license WITH amendment previous license number

Describe, in detail, the purpose for which you are applying for this license. Please include a description of your education program and the conservation message you wish to convey. Also, if applicable provide the name and address of the educational organization that sanctions your proposed activities or the organization that employs you. If more space is needed, attach additional sheets.

I am hoping to work with Nickel City Reptiles with regards to their school outreach programs (<http://www.nickelcityreptilesandexotics.com>), and Buffalo Animal Adventures (www.buffaloanimaladventures.net). The goal is to help educate the public with regards to cat conservation and care in NYS.

Department of
Environmental
Conservation

Please provide the common name, scientific name (Genus species) and the total number, male and/or female, of the species you wish to collect or possess.
NOTE: Endangered or Threatened Species may NOT be included on this application.

Common Name	Scientific Name	Male	Total Female
Caracal	Caracal Caracal		1

Check the appropriate category

☐ Species **WILL BE** collected from the wild in NYS

☒ Species **WILL NOT BE** collected from the wild in NYS

If you are applying for a license to possess species which will not be collected from the wild in New York, describe how and from where you will obtain the species. Please include the name, address, telephone number and License Name and Number of the person who legally possesses the species you wish to obtain. (Rehabilitation animals require a letter from a veterinarian stating the requested wildlife is permanently disabled and non-releasable and if applicable their license number and type). If more space is needed, attach additional sheets.

Species	Name of Dealer or Rehabilitator & Telephone Number	State and Federal License #
Caracal	Anna Kuzmina, VIPLeo, Redacted	N/A CITES Registered Import

Describe, in detail, the location, length of possession and method(s) you will use to collect the species you listed in this application. Include the type and number of traps, type and length of nets, etc. Individuals conducting activities on lands administered by the State or on conservation easement lands shall apply for and receive a Temporary Revocable Permit authorizing the use of those lands for such purpose prior to conducting activities. The application for a Temporary Revocable Permit can be found at: http://www.dec.ny.gov/docs/lands_forests_pdf/trpappfrm.pdf

N/A-Import through airlines from Russian breeder. Federal licensing is NOT required for caracal possession or ownership.

Describe the humane measures you will employ to ensure humane treatment for the animal(s).

The animal will receive care through Dr. Michael Borowiec, DVM, located at **Redacted** for all veterinary care, vaccinations, and regularly required visits. I am a licensed laboratory animal technologist (LATG), familiar with IACUC (Animal Care and Use Committee) implementation and am competent as it it pertains to feline ethics. The animal will also receive a custom diet including Wildtrax brand supplement, ZuPreem canned, and a variety of fresh chicken/turkey.

List the dates and locations where the listed species will be exhibited, or check the box for static year round exhibit.

Dates	Location
<input type="checkbox"/> Check box if animals exhibited at permanent facility year round	TBD
	Williamsville School District (Heim Elementary/Middle)
	TBD
	Nickel City Exotics Outreach Events

Describe the housing and/or holding facilities that you will provide for the animal(s) to ensure safe captive conditions and prevent direct contact with the public at all times. If more space is needed, attach additional sheets.

The housing facility is a spacious sun room attachment to with walk in door and open air access in the summer, with ambient temperature heating in the cooler months. Enrichment type toys with no choking hazard will be provided, as well as adequate space and areas to climb/jump. The area is locked and is not accessible to the public.

Do you wish to designate agent(s) under your license to assist you in the care of listed animals? If YES, please complete designated agent form.

NOTICE OF APPLICATION/LICENSE DENIAL

This is NOT a License

Date: 11/30/2017

License#: 1795

License Type: License to Collect or Possess - Education/Exhibition

Applicant: Christopher D Casacci

Owner ID: 1778188

Redacted

Department has denied your license application for the following reason(s):

- 1) New York State law/regulation does not authorize possession of the species for the requested activity.

(Please note: Your original application is enclosed)

Additional Information:

The Department of Environmental Conservation (DEC or Department) has determined that possession of certain species of animals, including caracals (*Caracal caracal*), presents a danger to the health or welfare of the people of the State, as well as to indigenous fish and wildlife populations.

Consistent with and pursuant to the provisions of Environmental Conservation Law §§11-0303, 11-0305, and 11-0511, the Department will not be able to issue you a license to possess or exhibit caracals in New York State. Thank you.
